Basalt

Garnet

Seacrest

- The blended color samples shown are only close approximations of the actual flooring system. For a more accurate value when specifying the actual system (i.e. single or double broadcast) and finish texture (i.e. standard, "orange peel", or smooth), it may be necessary to request a physical sample from Capozza Concrete Services to verify blend choice before installing.
- Custom color blending is available. Please contact Capozza Concrete + Epoxy Flooring Division for more information.
