PL-1020 Dolphin

PL-1640 Azure

PL-1650 Ocean

PL-1530 Seaweed

PL-1165 Cannon

PL-1250 Sangria

- Colors & "special effects" shown with these light-reactive pigments are approximate values. Due to their highly unique and one-of-a-kind nature, the overall appearance is subject to variations with light, floor substrate, and finishing techniques.
- Custom pigment blends, including color-shift "effects" are available. Please contact Capozza Concrete + Epoxy Flooring Division for more information
